

**Copyright & set default for excuses after police
brutality**

committed on unarmed citizens

MAKE A FORTUNE

He must have been doing something wrong .

If she had obeyed instructions she'd be alive today.

He was a little 12 yr old thug.

They're in jail because of crimes they committed.

If they'd look for a job.

Well, she had a criminal record for marijuana use.

There is no racial profiling.

I was afraid for my life.

There is no racism.

If they'd raised their children right.

It's Obama's fault.

The police have a hard job to do.

**The police are required to make split second decisions every
day.**

This is for educational and or discretionary use only.

**The content was developed from media commetry propagated after unfortunate encounters with police
officers in America. The union did not saction these excuses at anytime.**
